

This list includes **participating plumber** contractors participating in wattsmart Homes.

Customers must use a contractor on this list in order to qualify for an incentive. Be sure to review the services offered by each contractor to ensure they install the specific measure(s) you want to apply for. If you are working with a contractor not on this list, please encourage them to sign up with the program before starting any work to gain greater certainty your project will qualify for an incentive. Contractors interested in participating in wattsmart Homes should contact the Trade Ally Hotline at (800) 942-0281 for more information.
