

This list includes **qualified weatherization** trade allies participating in Rocky Mountain Power’s wattsmart Homes program. A program trade ally can be a contractor, plumber or retailer who sells or installs qualifying equipment or performs services for home energy efficiency upgrades.

Customers must use a trade ally on this list in order to qualify for an incentive. Be sure to review the services offered by each trade ally to ensure they install the specific measure(s) you want to apply for. If you are working with a contractor not on this list, please encourage them to sign up with the program before starting any work to gain greater certainty your project will qualify for an incentive. Contractors interested in participating in the wattsmart Homes program should contact the Trade Ally Hotline at (800) 942-0281 for more information.
