

This list is provided **as a convenience only** to our customers.

This list includes **participating** and **qualified HVAC program** contractors participating in Pacific Power’s wattsmart Homes program.

Customers must use a contractor on this list in order to qualify for an HVAC incentive. Be sure to review the services offered by each contractor to ensure they install the specific measure(s) you want to apply for. If you are working with a contractor not on this list, please encourage them to sign up with the program before starting any work. Contractors interested in participating in wattsmart Homes program should contact the Contractor Hotline at (800) 942-0281 for more information.
