

This list includes participating weatherization contractors participating in the Pacific Power wattsmart Homes program.

Customers must use a contractor on this list in order to qualify for an incentive. Be sure to review the services offered by each contractor to ensure they install the specific measure(s) you want to apply for. If you are working with a contractor not on this list, please encourage them to sign up with the program before starting any work to gain greater certainty your project will qualify for an incentive. Contractors interested in participating in the wattsmart Homes program should contact the Contractor Hotline at (800) 942-0281 for more information.
